3 The Revenue account of the current year has no margin for sanctioning further additional grants On the other hand there is imperative need for securing maximum economies in the sanctioned grants, in order to reduce the anticipated large Revenue deficit The present proposal cannot therefore be accepted by the Finance Department

SIR

1 With reference to Government Order No L 5192-95/II 9-38-23 dated 22-12-1938 and your memo L 5281/ 1 97-38-30 dated 26-12-1938 in the matter of meeting the sum of Rs 3250/- towards the cost of acquisition of properties in Cangammacherry out of the sum of - Rs 15000/- sanctioned by Government to this Municipality during the current year for City improvement works, I have the honour to state as follows -

2 During the year 1937-38, the Government were pleased to sanction to this Municipality a sum of Rs 30,000/- as grant for City improvement works Rs 15,000/- towards the cost of works to be - executed by the Municipality and Rs 15,000/- for works to be executed as per orders of Government During the current year, only a sum of Rs 15,000/- has been sanctioned by Government, for City improvement -works to be undertaken as per approved programme, including the cost of Rs 3250/- required for the acquisition of properties in Gangamacherry, and also the sum of Rs 1322/- payable by Government towards the cost of acquisition of the land in Malleswarm for the construction of a Maternity Home, as directed in G O No L 3083-7/II 101-38-3 dated 17-10-1938 Thus the Government grant to this Municipality during the current year for City improvement works is considerably reduced - as a consequence of which many important improvement works have to be deferred

It may be stated in this connection that the cost of acquiring properties and other improvement works in Gangamacherry has been fully borne by Government till now out of the funds sanctioned for the - Kumbargundi scheme and the value of sites sold has been likewise debited to State funds A sum of Rs 2000/- had been promised to be paid out of State funds for this purpose during the current year, as intimated in your letter No L 3314/'11 9-38-14 dated 28-10-1938 I request that in these circumstances Govern ent may be kindly moved to accord sanction to meet the sum of Rs 3250/- required for acquisition of properties in Gangammacherry out of State Funds, as has been the case all along

I have the honour to be,

Sir,

Your most obedient servant,
